

Atlanta Girls' School

Position Description

Job Title: Math Geometry Teaching Position

Date Range: 2017-2018 school year

Atlanta Girls' School is the only independent school for girls in Atlanta, serving girls in grades 6–12. AGS authentically lives its mission by providing a challenging college-preparatory program in a learning environment designed to foster the full potential of each student and to enable her to become a vital contributor to our complex global society.

Atlanta Girls' School provides a challenging college-preparatory program in a learning environment designed to foster the full potential of each student and to enable her to become a vital contributor to our complex global society.

POSITION OVERVIEW

All faculty members must hold a Bachelor's degree and have 3-5 years of teaching experience. Master's degree in the content area preferred.

Applicants should have demonstrated success in working effectively with students, parents, and colleagues and have a commitment to best practices in teaching and learning. Strong communication, collaboration, problem solving, and creativity desired to join a highly relational and dedicated faculty. Experience in an all girls' school environment highly desirable. Please submit a resume, cover letter, and statement of educational philosophy to the attention of Peggy Hasty, Director of Upper School to sbarner@atlantagirlsschool.org.
