

The Agnes Irwin School's Mathematics Department seeks an experienced, dynamic, and creative full-time Middle School Mathematics Teacher for the 2017-2018 academic year. Candidates should possess a passion for teaching and enjoy working in an academic environment with colleagues who value collaboration as well as independence. Successful candidates will have a proven record of engaging students in class, managing a classroom in an effective and safe manner, and inspiring a love of learning.

Qualifications:

- Bachelor's Degree required, advanced degree preferred
- Demonstrated expertise in teaching Middle School Mathematics
- Minimum three (3) years teaching experience required
- Experience with Project-Based Learning a plus
- Proficiency in the use of classroom technology: graphing calculators, interactive whiteboards, various computer applications
- Proven ability to work as a collaborative, contributing team member in a rigorous academic environment
- Strong interpersonal and communication skills
- Ability and interest in coaching a plus
