

School Counselor

The Counseling Department at Emma Willard School, seeks an enthusiastic and exceptional counselor to join a team of health care professionals dedicated to providing holistic health care in a boarding school environment. S/he must be licensed in New York State. This position is for the 2017-18 school year. This is a full-time position, reporting to the Director of Counseling, and liaising with staff in Health Services. S/he will triage, counsel and/or refer students who seek help for mental or emotional health issues.

In addition to providing individual counseling support to students, this clinician will support the Director of Counseling in developing proactive wellness programming, and growing a burgeoning mindfulness movement in the Emma community. S/he will perform on-call duties every other night Monday-Thursday, and every other weekend while school is open. This clinician will be responsible for collaborating with off campus mental health providers, in addition to on-campus staff. S/he will be responsible for co-curricular activities appropriate to her/his role, and that support the needs of the school. Dedication to the holistic wellness of students is essential, as is ability and comfort in frequent communication with students' advisors and parents. Experience in an educational field and/or being part of a support team for students is preferred.

Emma Willard School is a nationally recognized, academically rigorous, preparatory boarding and day high school for girls. We offer competitive compensation and an attractive benefits package in a stimulating and dynamic academic community. Emma is an equal opportunity employer.
