

GALA is hiring!

The Girls Academic Leadership Academy, the first all-girls science, technology, engineering and math school within Los Angeles School District is hiring for 2017-18

We are looking for some very special teaching candidates for our school.

Candidates must be willing to

- teach multiple courses with differing preparations
- act as teacher/advisors, working with social emotional skills of students in a daily advisory
- have experience with or be willing to learn mastery learning and standards based grading practices which are the core of the schools instructional practice
- have a growth mindset and institute that as part of the instructional practice
- possess strong classroom management based in restorative practices
- work in collaborative grade level and departmental teams
- be willing to lead clubs, activities, or coach sports
- eager to be part of a collaborative team providing innovative approaches to single-gender education
- eager to be part of a community working with parents as partners and participate in frequent communication with families (bilingual in Spanish or Korean a plus)
- participate in professional development on Saturdays or during vacations

You must hold a valid California teaching credential in the subject area you wish to teach. Masters Degree or higher preferred.
