

**Stone Ridge School of the Sacred Heart (Bethesda, MD)
Upper School Chemistry Teacher Job Posting**

Stone Ridge is seeking an Upper School Chemistry Teacher to begin August 16, 2017.

Stone Ridge School of the Sacred Heart, a member of the international Network of Sacred Heart Schools, is a Catholic, independent college preparatory school for girls, Grades 1-12, with a co-educational Early Childhood Program, Pre-Kindergarten, and Kindergarten. With over 700 students and rooted in the *Goals* of Sacred Heart education, Stone Ridge inspires young women to **lead and serve**, through lives of **purpose** that integrate **faith, intellect, community, social action, and personal growth** in an atmosphere of wise freedom.

The Upper School Chemistry Teacher is responsible for teaching three sections of honors level chemistry and one section of AP Chemistry in alignment with the Goals and Criteria of Sacred Heart Education. Working closely with colleagues in the Science Department and throughout the Upper School, s/he creates and updates plans for content, quality, and continuity of curriculum. S/he actively collaborates with Learning Strategists and Educational Technologists to develop strategies to support all students, and s/he works with the Counseling staff in developing social-emotional programming. S/he attends all faculty and employee meetings, participates in the Social Action Program, serves as an Advisor, fulfills other faculty duties, and maintains good communication with families about student progress through regular progress reports and responses to parents' inquiries.

The ideal candidate has experience teaching chemistry at the honors or AP level in independent and/or Catholic schools and possesses an advanced degree in a related field. S/he demonstrates a track record of successful teaching, a capacity for working with a range of learning abilities, and experience with integrating appropriate educational technologies into the teaching environment. S/he is familiar with the Next Generation Science Standards for education and Understanding by Design. S/he demonstrates strong writing and communication skills, a capacity for organization and follow-through, creativity, and flexibility.

Compensation includes competitive benefits and salary commensurate with experience.
