

## **Mathematics Teacher**

The Ursuline School is Catholic, private, independent, college preparatory school for girls grades 6 -12, located in New Rochelle, New York. We are accepting applications for a full-time high school Mathematics teacher for the 2017-2018 school year.

Prospective applicants must demonstrate the ability to provide both content based and conceptual math lessons. Applicants also must be comfortable collaboratively planning curriculum and Project Based Learning Initiatives.

Position: Full Time (Includes grades 7 – 12)

### Responsibilities:

- Plan, structure, and implement interactive lessons that develop students' critical thinking and problem solving skills.
- Effectively use appropriate technology and tools in math teaching.
- Hold high expectations for every student. Provide necessary accommodations and modifications for growth and success of all students.
- Work as an active, collaborative member of the learning group, grade/level, content/area and school/wide teams, and do whatever it takes to ensure our students' needs are met.
- Keep abreast of developments in the field by reading current literature, talking with colleagues, and participating in professional conferences.
- Keep students and parents well informed of student progress by providing feedback, focused learning intentions and clear success criteria.
- Perform necessary duties including but not limited to advisory, after school activities and chaperoning.

### Experience/Qualifications:

- A bachelor's degree or higher in mathematics or math education
- Prior high school teaching experience in content areas
- Excellent communication skills
- A master's degree or teacher certification preferred

### To apply:
